

# *Corn Hole Play*

1. Start by picking teams and selecting a player to toss first
2. Players then alternate, taking turns tossing their bean bags at the opposite board until all eight bags have been thrown.
3. Then, score the round using whatever scoring method you have chosen (see below).
4. Collect the bean bags and repeat with the next player on the team if you are playing a team game.
5. Repeat steps two through four until one team or player has scored 21 or more points. You must win by 2 points to win.

## **Player Pitching Rotation**

The player or team who scored in the preceding inning has honor pitching first in the next inning. If neither player or team scores, the player or team who pitched first in the preceding frame shall retain first pitch in the next frame.

## **Position of Players During Pitching**

- ✓ The pitcher must be within the pitcher's box or behind the foul line at the time of release.
- ✓ A player must pitch all four bags from their designated pitcher's box.
- ✓ Players must pitch the bag with an under-hand release.

## **Regular Scoring**

- 3 points for bags tossed through the hole
- 1 point for each bag that remains on board through the round.

## **Cancellation Scoring**

Only one team or player scores points each round. Start by calculating the score for each player or team regularly and then subtract the smaller score from the more significant score. The player or team who scored more points earns the difference, and the other player or team receives no points.
